Bro I cannot be late to Mr. Hand's class again!

Spicoli why not use that new scooter sharing app?

See bro look at all the scooters nearby!

I bet he'll come to my house if I'm tardy again!

Bro thanks to that new app I wasn't late!

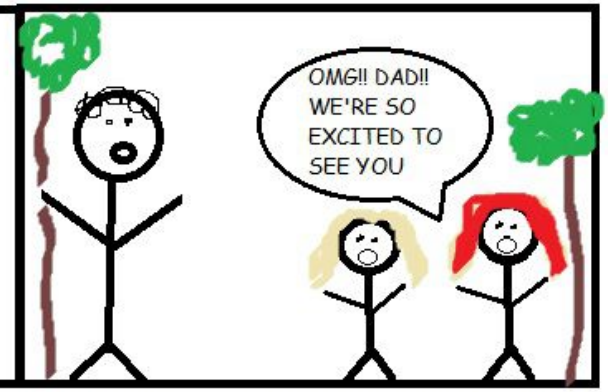
Well Spicoli I don't know how you did it, I thought it'd be a cold day in Hell before I saw you in class prior to the late bell.

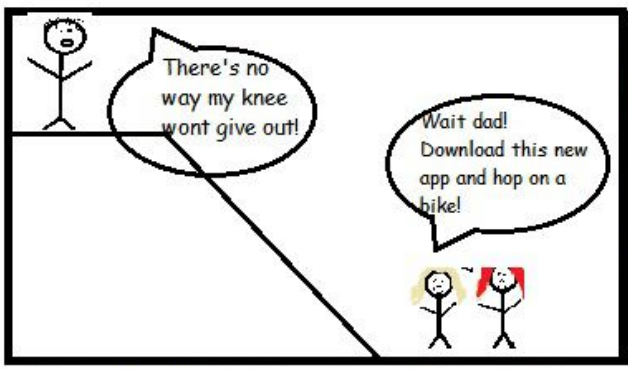
Persona: Künter Strike

Künter is sitting at Valve after a long day of rigging loot box odds in anticipation of his imminent visit to USC.

At last, after a successful day the clock strikes 5 and it is time for Künter to get on the road and get ready for a wild weekend.

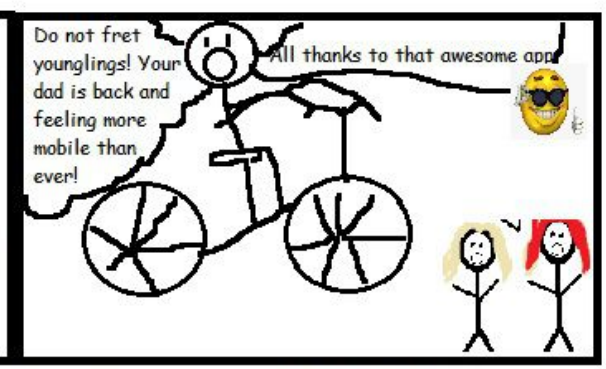


Reunited! Künter finally gets to see his daughters ülivia and Gürtrude after a long few months away from home.



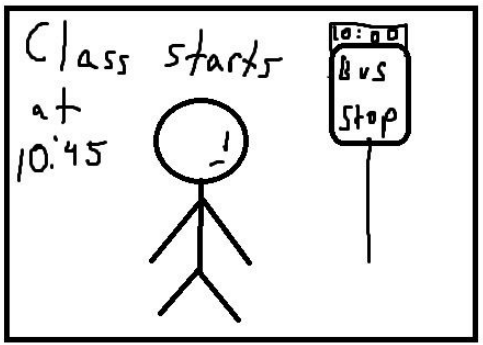
But wait...Künter's daughters live right at the top of the Bull St. Hill, going up and down that all weekend on foot might put Künter out of commision...

Künter discovers this awesome new app that provides access to all on campus transportation as well as their locations, He is ecstatic and can't wait to reunite with his kids at the bottom of the hill,

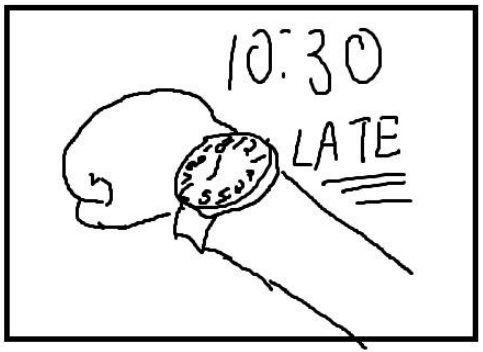


Finally, after a treterous battle with the Bull St. hill, Künter has been reuinted with his family, and can continue to utilize the app to ensure safe travels all weekend.

Storyboard

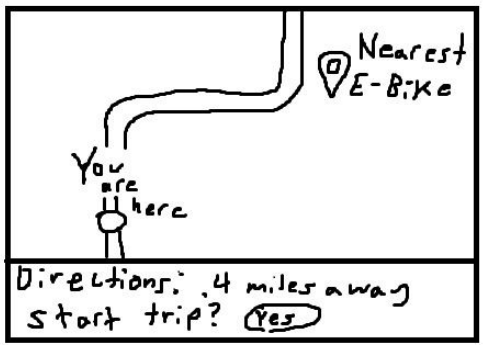


A student needs to go to their 10:45 class

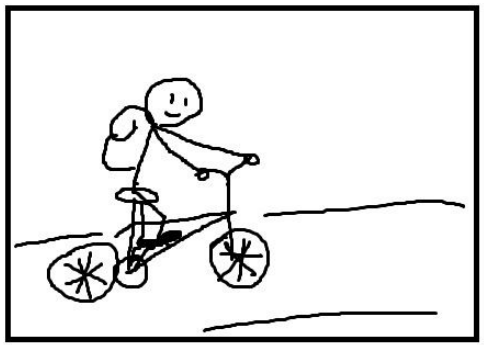


but their bus is 30 minutes late

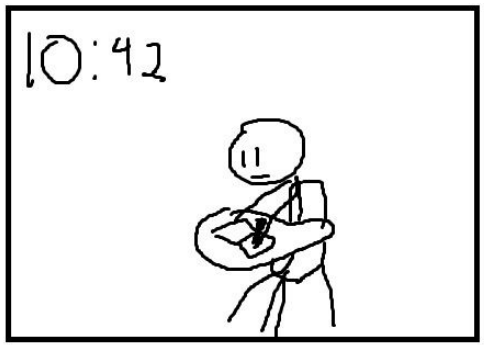
They open our app to find the nearest E-Bike to rent



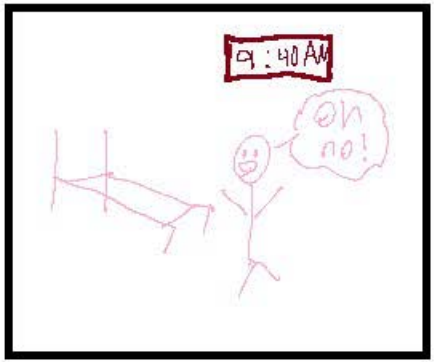
Our app directs them to the nearest E-Bike station with an interface similar to most map apps



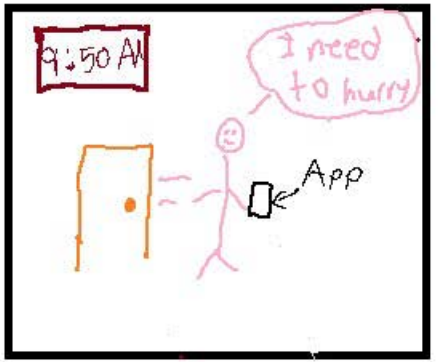
They use the E-Bike to quickly go to class



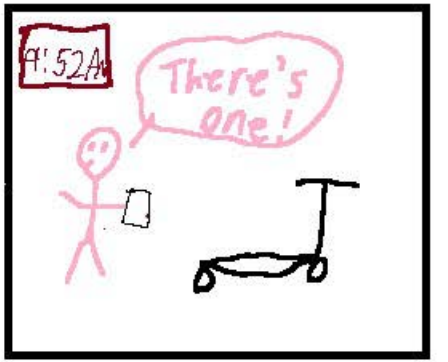
They make it to class on time after checking in the E-Bike at another station for another student to use



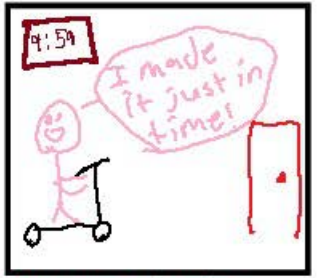
Allen Dennis wakes up late! He is usually 30 minutes early, how will he even make it on time?



Using our app, he knows he can locate a scooter that can get him straight to Leconte for his 10 am lecture.



He finds an available scooter in 2 minutes! He didn't even have to wait for a bus. And since he already has his CarolinaCard in the app, the process is seamless.



Thanks to our app, he arrives right on time to teach his students!
